on Beautiful Rush Lake

An Ideal Place to Spend Your Summer Vacation

Fifty-six acres comprise the Lakeview Farm and forms a most beautiful vacation spot. Fifteen summer cottages are distributed along the wooded slopes that form the grove along the one mile of beautiful shore line. All cottages are equipped and afford clean and neat accommodations.

Boats and vacation facilities are plentiful; every requirement for your entire enjoyment is provided. Fresh eggs, milk and butter and other provisions can be had on the farm. Nearby villages and towns can provide anything that one could possibly want. Bathing facilities are the best at our beach and everything is done to make vacations a pleasant memory.
